

Curriculum Vitae

Eric R. Crouch, M.D.
880 Kempsville Road, Suite 2500
Norfolk, Virginia 23502
(757) 461-0050 Telephone
(757) 461-4538 Facsimile

Education

Fellowship, Pediatric Ophthalmology and Adult Strabismus Children's Hospital National Medical Center, Washington, DC	07/2003 - 06/2004
Residency, Ophthalmology, Geisinger Medical Center, Danville, PA	07/2000 - 06/2003
Internship, Greenville Hospital System, Greenville, SC	07/1999 - 06/2000
M.D., Eastern Virginia Medical School, Norfolk, VA	08/1995 - 05/1999
B.S., University of Richmond, Richmond, VA	08/1991 - 05/1995

Current Administrative Position

Chief of Ophthalmology, Children's Hospital of the King's Daughters, Norfolk, VA	07/2013 - present
--	-------------------

Academic Appointments

Associate Professor Department of Ophthalmology Eastern Virginia Medical School, Norfolk, VA	2010 - present
Assistant Professor Department of Pediatrics Eastern Virginia Medical School, Norfolk, VA	2006 - present
Assistant Professor Department of Ophthalmology Eastern Virginia Medical School, Norfolk, VA	2004 - 2010

Certification and Licensure

Diplomate, American Board of Ophthalmology State Medical License: Virginia (active), South Carolina (inactive), Pennsylvania (inactive)	2005, 2015
--	------------

Professional Memberships and Activities

Fellow, American Academy of Ophthalmology	2005 - present
Fellow, American Academy of Pediatrics	2008 - present
Fellow, American College of Surgeons	2010 - present
Virginia Society of Eye Physicians and Surgeons	2006 -present
American Association for Pediatric Ophthalmology and Strabismus (AAPOS)	2004-present
Costenbader Society	2004-present
Tidewater Pediatric Society	2004-present
American Academy of Ophthalmology	2000-present
Pennsylvania Academy of Ophthalmology	200-2003

Honors and Awards

PEDIG:

The Pediatric Eye Disease Investigator Group (PEDIG) is a collaborative network dedicated to facilitating multicenter clinical research in strabismus, amblyopia and other eye disorders that affect children. The network, which was formed in 1997, is funded by the National Eye Institute (NEI). The NEI is a part of the National Institutes of Health. There are currently over 100 participating sites with over 200 pediatric ophthalmologists and pediatric optometrists in the United States, Canada and the United Kingdom participating in the network.

PEDIG Awards:

Vice Chair Service Award	2016
Site of the Month Award	07/2014
Nasolacrimal Duct Steering Committee Appreciation Award	2008
Recruitment Award	2009-2012
Site of the Month Award	2009

Other Awards:

EVMS Ophthalmology Residency Program Attending Physician of the Year Award	2013
Best in Show Presentation Award, AAPOS	2008
Geisinger Medical Center Resident Day Research Award	2003
Sigma XI Outstanding Graduate Research Award	1998
EVMS Research Fellow	1996, 1997
EVMS Research Day Presentation Award	1995, 1996
Phi Beta Kappa, University of Richmond	1995
Presidential Academic Scholar, University of Richmond	1991-1995
Biology Research Honors Program, University of Richmond	1994, 1995
Beta Beta Beta Biology Honors Society, University of Richmond	1992
Golden Key Honors Society, University of Richmond	1992
Dean's List (six semesters), University of Richmond	1992-1995

Publications

Peer-Reviewed

PEDIG Writing Committee Presentations During Tenure as Vice-Chair of PEDIG Network:

1. Wallace DK, Lazar EL, Suh DW, Roberts JT, Repka MX, Petersen DB, Lorenzana IJ, Kraker RT, Holmes JM, Cotter SA, Clarke MP, Chen AM, Beck RW, on behalf of PEDIG. A Randomized Trial of Increased Patching for Amblyopia. AAPOS Annual Meeting in Boston, MA. April 2013.
2. Chandler DL, Melia M, Leske DA, Holmes JM, Kraker RT, on behalf of PEDIG. Development of a Parent Informational Video to Aid Recruitment in a Pediatric Surgical Randomized Trial. Society of Clinical Trials Annual Meeting in Boston, MA. May 2013.
3. Wallace DK, Lazar EL, Hoover DL, Tamkins SM, on behalf of PEDIG. Time Course and Predictors of Amblyopia Improvement with 2 Hours of Daily Patching. ARVO Annual Meeting in Seattle, WA. May 2013.
4. Repka MX, on behalf of PEDIG. Amblyopia Treatment Study 1: Long-term Follow-up Results at 15 Years of Age. European Strabismus Association Annual Meeting in Marseille, France. September 2013.
5. Cotter SA, Mohny BG, Chandler DL, Holmes JM, on behalf of PEDIG. A Randomized Trial Comparing Part-time Patching with Observation for Children with Intermittent Exotropia. American Academy of Optometry Annual Meeting in Seattle, WA. October 2013.
6. Barnhardt CN, Repka MX, Kraker RT, on behalf of PEDIG. A Randomized Trial of Atropine versus Patching for Treatment of Moderate Amblyopia: Follow-up at 15 Years of Age. American Academy of Optometry Annual Meeting in Seattle, WA. October 2013.
7. Mohny BG, Cotter SA, Chandler DL, Holmes JM, on behalf of PEDIG. A Randomized Trial Comparing Part-time Patching with Observation for Children with Intermittent Exotropia. American Academy of Ophthalmology Annual Meeting in New Orleans, LA. November 2013.
8. Cotter SA, on behalf of PEDIG. Lessons Learned from the Amblyopia Treatment Studies. Optical Society of America Meeting in Houston, TX October 2013.
9. What a Research Network Teaches about Amblyopia Therapy. British Isles Pediatric Ophthalmology and Strabismus Association, October 2013.
10. Wallace DK, on behalf of PEDIG. A Randomized Trial of Increased Patching for Amblyopia. Annual Meeting of the American Association of Certified Orthoptists in New Orleans, LA. November 2013.

PEDIG Abstracts and Presentations List During Tenure as Vice-Chair of PEDIG Network:

1. Wallace DK, Lazar EL, Repka MX, Holmes JM, Kraker RT, Hoover DL, Waters AL, Rice ML, Peter RJ, on behalf of PEDIG. "A Randomized Trial of Adding a Plano Lens to Atropine for Treatment of Residual Amblyopia." American Association for Pediatric Ophthalmology and Strabismus Annual Meeting in Rancho Mirage, CA. April 2014
2. Mohny BG, Cotter SA, Chandler DL, Holmes JM, on behalf of PEDIG. "The Effect of Part-time Patching on Near Stereoacuity, Control, and Angle in Childhood Intermittent Exotropia." American Association for Pediatric Ophthalmology and Strabismus Annual Meeting in Rancho Mirage, CA. April 2014
3. Repka MX, Kraker RT, Holmes JM, Summers AI, Glaser SR, Barnhardt, Tien DR, on behalf of PEDIG. "A Randomized Trial of Atropine versus Patching for Treatment of Moderate Amblyopia: Follow-up at 15 Years of Age." American Association for Pediatric Ophthalmology and Strabismus Annual Meeting in Rancho Mirage, CA. April 2014
4. Repka MX, Dean TW, Lazar EL, Freedman SF, Hug D, Lenhart P, Rahmani B, Wang SX, Yen KG, Kraker RT, on behalf of PEDIG. "Pediatric Cataract Surgery: Baseline Characteristics of a North American Pediatric Eye Disease Registry." Association for Research in Vision and Ophthalmology in Orlando, FL. May 2014.

5. Holmes JM, Leske DA, Chandler DL, on behalf of PEDIG. "Effect of Patching Versus Observation on Intermittent Exotropia-Specific Health-Related Quality of Life in Children and their Parents." Association for Research in Vision and Ophthalmology Annual Meeting in Orlando, FL. May 2014
6. Wallace DK, Repka MX, Cotter SA, Lee KA, Crouch ER III, Holmes JM, on behalf of PEDIG. "PEDIG Studies." Interactive International Web Symposium hosted by American Association for Pediatric Ophthalmology and Strabismus. August 23, 2014.
7. Repka MX. "New Medical Treatment Modalities for Amblyopia." Academy of Ophthalmology Annual Meeting in Chicago, IL. October 2014 2015
8. Repka MX, Dean TW, Lazar EL, Freedman SF, Hug D, Lenhart P, Rahmani B, Wang SX, Yen KG, Kraker RT, on behalf of PEDIG. "Pediatric Cataract Surgery: Baseline Characteristics of a North American Pediatric Eye Disease Registry." American Association for Pediatric Ophthalmology and Strabismus Annual Meeting in New Orleans, LA. March 2015
9. Christiansen SP, Chandler DL, Lee KA, Superstein R, De Alba Campomanes AG, Bothun ED, Wallace DK, Kraker RT, on behalf of PEDIG. "Complications of Botulinum Toxin-A for Treatment of Esotropia in Children." Association of Research in Vision and Ophthalmology Annual Meeting in Denver, CO. May 2015
10. Suh DW, Kulp MT, Dean TW, Kraker RT, Erzurum SA, Wallace DK, Pang Y, Shea CJ, Avallone JM, on behalf of PEDIG. "The Clinical Profile of Moderate Hyperopia in Children Three to Five Years of Age." Association of Research in Vision and Ophthalmology Annual Meeting in Denver, CO. May 2015

Local/Regional Meetings

1. ER Crouch, III: "What's the Sed Rate?" at the Eye-to-Eye with Ophthalmology Conference, Geisinger Medical Center, April 12, 2001, Danville, PA.
2. ER Crouch. "Aminocaproic Acid and Tranexamic Acid Facilitates Corneal Reepithelialization in Sprague Dawley Rats," presented at Eastern Virginia Medical School, ER Crouch, III; PB Williams. October 20, 1995.
3. ER Crouch. " Adherence of Corneal Epithelium is Improved by Administration of Aminocaproic Acid and Tranexamic Acid," presented at Eastern Virginia Medical School, SG Caruthers; ER Crouch, III; D Barnes; M Chames; ER Crouch, Jr.; PB Williams. 1995.
4. PM Griffey; PB Williams; ER Crouch, III. "Does Aminocaproic Acid, Epidermal Growth Factor, and Basic Fibroblast Growth Factor Increase the Rate of Corneal Epithelialization in Rats?" at Eastern Virginia Medical School Research Day; October 17, 1997.
5. ER Crouch. Pediatric Ophthalmology. Grand Rounds, Department of Ophthalmology, SNGH. 2005.
6. ER Crouch, III. Strabismus and Amblyopia. Chronic Illness Conference. 10th Annual Chronic Illness Conference, sponsored by Children's Hospital of Kings Daughters, Chesapeake, VA, Nov. 2005.
7. ER Crouch III. OKAP Lecture Review Series. Department of Ophthalmology, March 2005.
8. ER Crouch III. Ophthalmology and Otolaryngology – Eyes and Ears, Syndromes Associated with Hearing and Vision Loss. Grand Rounds, Department of Otolaryngology. April, 2006.
9. ER Crouch. Pediatric Ophthalmology. Grand Rounds, Department of Ophthalmology, SNGH. 2005.
10. ER Crouch III. Leukocoria. Grand Rounds Presentation. Department of Pediatrics. CHKD. 2005.
11. ER Crouch III. OKAP Lecture Review Series. (9-hours) Department of Ophthalmology, March 2006.
12. ER Crouch III. Ocular Pathophysiology. Medical Student Lecture for Pathophysiology Course. E.V.M.S. April 2007.

13. ER Crouch III. OKAP Lecture Review Series. (9-hours) Department of Ophthalmology, 2007.
14. ER Crouch, Pediatric Retina Pathology. CME course series for Hampton Roads Optometrist Network, Downtown Virginia Beach, VA. Oct, 2008.
15. ER Crouch III. Ocular Pathophysiology. Medical Student Lecture for Pathophysiology Course. E.V.M.S. April 2009.
16. ER Crouch III. Ocular Pathophysiology Lab – Direct Ophthalmoscopy, Tonometry, and Visual Fields. E.V.M.S. April 2009.
17. ER Crouch III. Pediatric Ophthalmology Review Course for Pediatric Residents, Part 1 and Part 2. E.V.M.S. April 2009.
18. ER Crouch III. Pediatric Ophthalmology - Red Eye Lecture. E.V.M.S. July 2009.
19. ER Crouch III. Visual Development, Vision Screening, and Pediatric Ophthalmology Cases. Hampton School Nurses, Hampton Museum, August 2009.
20. ER Crouch III. Pediatric Ophthalmology - Leukocoria Lecture, Retinoblastoma Patient Presentation. E.V.M.S. September 2009.

Posters

National/International Meetings

1. ER Crouch, Jr, S Johnston, ER Crouch III. Innovative Technique for Transposition Procedure in Duane's Syndrome. Association for Research in Vision and Ophthalmology, 2006, Florida.
2. ER Crouch. "Aminocaproic Acid, Epidermal Growth Factor, and Basic Fibroblast Growth Factor and Their Effects Upon Corneal Reepithelialization After Severe Alkali Burns," with FA Lattanzio, PM Griffey, V Sharma, E Hein, PB Williams. Association for Research in Vision and Ophthalmology, May 11, 1999, Ft. Lauderdale, Florida.
3. ER Crouch. "Intraocular Lens Implantation in Pediatric Patients: Bilateral Cataract Extraction versus Unilateral Cataract Extraction," with DS Miller, SH Pressman, ER Crouch, Jr. Association for Research in Vision and Ophthalmology, May 10, 1999, Ft. Lauderdale, Florida.
4. ER Crouch. "Aminocaproic Acid Promotes Wound Healing in Diabetic Rabbits," with PB Williams, E Crouch, R Breazeale, F Lattanzio. Association for Research in Vision and Ophthalmology. May 10, 1998. Ft. Lauderdale, Florida.
5. ER Crouch III. "Corneal Wound Healing in a Diabetic Rabbit Model" with E Crouch, R Breazeale, P Williams, F Lattanzio, J Davidson. Association for Research in Vision and Ophthalmology. May 12, 1997. Ft. Lauderdale, Florida.
6. ER Crouch. "Topical Aminocaproic Acid in the Treatment of Traumatic Hyphema," with PB Williams, M Chames, E Crouch, K Gray. Association for Research in Vision and Ophthalmology, May 12, 1997. Ft. Lauderdale, Florida.
7. ER Crouch. "Aminocaproic Acid and Tranexamic Acid Accelerate Corneal Reepithelialization in Sprague Dawley Rats," with PB Williams. Association for Research in Vision and Ophthalmology. April 24, 1996. Ft. Lauderdale, Florida.
8. ER Crouch. "Aminocaproic Acid and Tranexamic Acid Facilitate Corneal Reepithelialization in Sprague Dawley Rats," with PB Williams, E Crouch, Jr. Association for Research in Vision and Ophthalmology. May 14, 1995. Ft. Lauderdale, Florida
